

## PARTNERSHIPS

Waiora Healthcare operates under a collaborative model where we enjoy strong and growing relationships with:

- Providers
- Local marae
- Te Whanau o Waipareira Trust
- EPMU (Engineering, Printing and Manufacturing Union)
- Waitemata DHB
- The Ministry of Health
- National Maori PHO coalition
- Professional groups such as the Royal College of General Practitioners; the New Zealand Nurses Organisation and its Maori Nursing partner Te Runanga O Aotearoa.
- NGOs
- Educational institutions such as AUT, Unitec, University of Auckland's School of Population Health.

## PROVIDER SUPPORT

Waiora Healthcare provides ongoing support to the provider network in the following ways:

- Back office support – payroll, IT, HR, Legal, Banking, Invoice and Payments
- Register Management advice
- Business advice and facilitation.

Waiora Healthcare is taking a key part in the development of the newly formed National Maori PHO Coalition which has been established to advance Maori PHOs within the government's Primary Health-care Strategy.
