

E ngā iwi, e ngā reo, e ngā karanga maha, ngā mihi nui

*Ka rere te manu kotuku
Te manu o te hau ora o Waiora
E tangi ana tui, tui, tuituia
Tuia i runga, tuia i raro
Tuia i te here tangata
Ki te whaiāo ki to ao marama*

TOHU

Waiora Healthcare has adopted a stylised kotuku (heron) as its Tohu. This artwork showing the Kotuku leaving a pond in flight was created by the Tainui artist and carver Fred Graham. The kotuku is a bird indigenous to the Te Atatu Peninsula and its movement reflects growth and empowerment.

TE WHAKATAUKI

ko ahau anake, Mehemea ka
moemoea a tatou, ka taea tatou.”*

- Te Puea Herangi
